“ Our condolences and hugs to the Ellington Family. When we worked with Al, it was always good. We found him to be straightforward, prepared, always smiling, willing to share a story and a laugh, and a gentleman. He never complained, had a great attitude, and a kind word for everyone. May he rest in peace with the Lord. K&B Maxwell

“ To the Ellington Family, my deepest sympathy. Mr. Ellington was such a wonderful person, I will miss his visit to my desk every time he came to the school (MLC). Mr. Ellington always had a hello and a handsome smile. Rest in peace my friend.
