“ I'm sending this text I did not receive the email
Good bye my friend, it's hard to come to terms that you have gone. You made me laugh and very mad at the same time. It was the only way you express your love and caring touch,I still remember our conversation on car ride, how you proclaim the love of Jesus. I'm sure you are in his arms where you will suffer no more pains. Rest in Perfect Peace my friend. I will miss you.

Donna, soar like an eagle, high on wings of grace, hurry to the Heavens, where you can see God's face.

Rising in his splendor to heights you never knew, what once look like a mountain is just a hill from Heaven's point of view.

“ Rest In Peace Donna, My Deepest Sympathy to your family. I will cherish our conversations about our families, laughing about sharing our birthdates and who was really older...you made the best of a difficult illness...I'll miss not seeing you, but I know you're in a better place now.
